

ENT312: INDUSTRIAL LEARNING AND TOURS – 2 CREDIT UNITS

Industrial learning and tours are designed to give you experience that will benefit your career after and during your degree. The tours give you credit towards your degree and offer a unique opportunity to enrich your learning. The students not only get a chance to experience a visual tour of these industries but also learn the ways and techniques in which people work over there. The career aspirants also get management advice from the directors and others in-charge of each industry that helps in motivating them to be efficient enough to achieve their career goals.

Objectives

- Develop a broad range of work skills and attributes that are particularly valuable in a globalized economy.
- Understanding entrepreneurial practices.
- Challenge your values, perceptions and assumptions.
- Gain insight into another culture.

Duration

Industrial learning and tours is a semester programme. Visits to proposed industries are organized and facilitated by study Centre Directors once in a semester.

Course credit

Industry learning and tour is a compulsory course that earns you 2 credit units.

Cost

Costs will vary for each tour, according to the destination, duration and inclusions.
