Wato babu wata dabba da ta ke da hanyar sadarwa irin wadda dan-Adam yake da ita wato harshe.

1.2 Manufar Darasi

Manufar da wannan darasi ya son cimma ita ce, a karshen wannan darasi falibai su san wadannan abubuwa:

- Ma'anar harshe ko abin da ake nufi da harshe cikin Hausa

1.3 Harshe

1.3.1 Mene ne Harshe

Masana sun sha tofa albarkacin bakinsu a kan ma'anar Harshe. Ga kadan daga cikin ra'ayoyinsu:

Sapir (1956:1) ya bayyana harshe da cewa, wata hanya ce ta bayyana kai da kuma hulda tsakanin mutane wadda dabbobi ba su da irinta.

Galadanchi (1976) ya kalli harshe a matsayin “Dillalin zuci, sai zuciya ta gama safa maganganu a cikinta sai a yi amfani da harshe wajen furta abin da ake son furtawa”.

Shi kuwa Richard (1985) cewa ya yi “Harshe shi ne hanyar sadarwa da musamman da d'an-Adam ko amfani da ita wadda ta funshi tsararrun sautuka magana tun daga matakina kurayar sauti har zuwa jumla”.

Harshen mutum kuwa shi ke taimaka masa wajen bayyana sababbin tunane-tunane da fahimtar kalmomi da jumloli da kuma samun damar tsara magana da jera tunani da dangantaka kalmomi ko jumloli da ma'anoninsu a zahiri. Harshe mutum shi ke tafiyar da tunaninsa a cikin kowane al'amari da kuma bayyana masa duniyar da yake ciki ko fahimtar duniya. (Yule, 1985: 96).

A ra'ayin Bagari (1986) kuwa “Harshe hanyar sadarwa ce, da ake amfani da shi, wajen sadarwa ta hanyoyi guda biyu. Wato ko dai a furta magana da baki mutum ya ji da kunnensa ya fahimta ko kuma a rubuta”.

{amusun Hausa na Jami'ar Bayero (2006) an bayar da ma'anar harshe da: Hanyar magana tsakanin al'umma iri daya.

Harshe yana da matukar muhimmanci ga al'umma domin kuwa shi ne sadarwa, babu wani al'amari daya da ya shafi d'an Adam wanda babu harshe a cikinsa. Da harshe ne d'an-Adam ke tunani da sadarwa ta hanyar magana ko ishara, ta harshe ne mutum ke bayyana ra'ayinsa da

addininsa da sha'awarsa da fahimtarsa ga duk wani al'amari na duniya. (Ndimele, 2001: 3).

Harshe wata kunshiya ce ta musamman, da ta shafi mutum da furuci da ji da kuma ganewa. Furucin nan kuwa yana bukatar cikakken dabi'unsafe da suka shafi rayuwa gaba daya, dada mace ce ko namiji, yaro ko babba, malami ko jahili, basarake ko talaka, kai har ma da sana'arsu. Haka kuwa tsarin kowane harshe yake daga furuci har zuwa jerin abin da aka furta na sauti (Yakasai, 2012).

La'akari da wadannan ma'anoni muna iya cewa harshe wata hanya ce da dan-Adam ke amfani da ita domin sadarwa a halin rayuwarsa.

Harshe na da matukar amfani a rayuwa domin abubuwa da yawa basa samu wa sai da shi. Idan za a shiga cikin harkokin rayuwa, harshe ne gagara badau wajen tafiyar da harkokin yau da kullum. Masana ilmin harshe da dama sun yi tsokaci kan abubuwa da dama dangane da muhimmancin harshe. Fadi wajen nazari, sarkakkiya, muhimmanci wajen amfani, da yalwa wajen biyan bukata, sun tilasta masu nazari takaita binciken su. Saboda haka, ana nazarin harshe a matsayinsa na harshen kasa ko kuma a matsayin wani vangare na kari kamar karin Hausar Sakkwato; ana iya nazarin harshe a rubuce ko a maganance; ko kuma ma a yi nazarin nahawu ko sautin kari kawai.

3.2 Ra'in Asalin Harshe

Akwai ra'i dabab-daban a kan asalin yadda aka samu harshe. Daga cikin ra'in akwai **Bow-Bow Theory** – wannan ra'in yana da ra'ayin cewa mutane farko sun samu harshe ne ta hayar koyon sautin wasu halittu musamman kananan dabbobi, alal misali kukan kyanwa, wadda ake kira 'mew-mew', ita kuwa saniya ana kiranta "*mow-mow*". Sai dai nakasun wannan ra'in shi ne ta yaya aka samo sunayen abubuwan da ba dabbobi ba kamar duwatsu da wuta da kwari da baka. **Pooh-pooh Theory** – wannan ra'in ya bayyana cewa an samu asalin harshen dan-Adam ne daga ta yadda mutum ke bayyana sautukan nuna bukata da sha'awakamar na fusata (gurnani) ko kuma ihu idan ya ji tsoro. Wannan ra'in yana da rauni domin bai bayyana yadda aka samu kalmomin wadsan da ba na bayyana wani hali ko yanayi ba kamar irin kalmomin sunaye na; gida da hannu da abinci da sauransu. **The Grunt Theory** – wannan ra'in ya bayyana cewa harshen dan-Adam ya samo asali ne daga sautukan da mutum yake fitarwa lokacin da yake aikin karfi. Kalmomi kamar su; u-uh da arargh da sauransu an samo su ne misalan da ra'in ya kawo. Matsalar wannan ra'in shi ma bai bayyana yadda aka samar da kalmomin ba su da wata alaka da aikin karfi ba kamar; kyau da gaskiya da ladabi da sauran makamantansu ba.
