RUKUNI NA KAYA HARSHE

1.0 GABATARWA

Harshe yana daga cikin manya-manyan ni'imomin da Allah ya yi wa bawansa. Tsararriyar hanya ce ta sadarwa wadda kan adam, ba ya da kamarta (Akmajian& Demers& Farmer & Harnish, 2001). Masana harshe sun ba ba da ma'anoni daban-daban na harshe. A nan, za mu kawo su, tare da yin kan takaitaccen tsokaci a kan su. Bayan haka nan, za a duba ma'anar ilimin harshe ko ilimin kimiyyar harshe, wanda da Ingilishi ake kira 'Linguistics'. Ilimin harshe tsararriyar hanya ce ta nazarin harshe. An kira shi da kimiyyar harshe ne, saboda masana harshe suna amfani da hanyoyin binciken na kimiya wajen tabbatar da ingancin bincikensu..Har wa yau, za a yi bayanin dangantakar harshe da ilimin kimiyyar harshe.

2.0 MANUFAR DARASI

Manufar wannan ita ce a gane wakannan batutuwa:

- ma'anar harshe.
- ma'anar ilimin harshe.
- dangantakar harshe da ilimin harshe.

3.0 KUNSHIYAR HARSHE

Wannan darasi ya kunshi yin bayani a kan ma'anar harshe da ilimin harshe, sai dangantakar harshe da ilimin harshe.

3.1 Harshe Da Ilimin Harshe

A nan, za a yi magana ne a kan harshe da ilimin harshe. Wato za a fito da ma'anarsu da dangantakarsu.

3.1.1 Ma'anar Harshe

Harshe fassara ce da aka yi wa kalmar Ingilishi 'language'. Ga ra'ayoyin masana game da ma'anar harshe: Lyons (1981:3) ya ruwaito ma'anar harshe inda Sapir (1921:8) yake cewa:

'Language is a purely human and non-instinctive method of communicating ideas, emotions and desires by means of voluntarily produced symbols'.

Fassara:

Harshe wata tatacciyar hanya ce ta sadarwa ta kan adam wadda yake bayyana fahintarsa, burin zuciyarsa ta hanyar furtu wasu sautuka'

Ndimele (2001:1) yana cewa:

'Language is essentially a communication system in the sense that it associates meaning (i.e. the message) with a set of signs (i.e the sounds or symbols)'

Fassara:

' Harshe wata muhimmiyar hanyar sadarwa ce tsararriya wadda take haka ma'anoni (wato sako) da sautuka (wato sautukan magana da alamomi)'

Zarruk (Ba kwanan wata) yana cewa:

'Harshe shi ne tunanin kan Adam wanda yake bayyanawa da bakinsa ko da rubutu'

Yakasai (2012:2) ya ce:

'..an bayyana harshe da cewa, wata hanya ce ta bayyana kai da kuma hulka a tsakanin wadda dabbobi ba su da irinta.'

Yusuf (2007:1) yana cewa:

'... 'language' is conceived as the human facility for talking'

Fassara:

'..... 'harshe' yana nufin wani muhimmin abu na kan adam da yake amfani da shi wajen yin magana'

A takaice, abubuwani da za a fahinta daga wakannan ma'anoni, su ne: Ta fuskar lura da kunshiyar harshe, sautuka ne da ake furtawa su isar da sako ga mai sauraro. Ta fuskar amfaninsa, harshe muhimmiyar hanya ce ta sadarwa.

3.1.1 Ma'anar Ilimin Harshe

Ilimin harshe da ilimin kimiyar harshe a nan, duk abu kaya ne. Fassara ce da aka yi wa kalmar Ingilshi 'Linguistics'. Dangane da ma'anarta, ga ta bakin masana:

Lyons (1981:1) ya ce:

Wato dai, duk harshen da suka fara magana da shi, shi ne harshen farko wanda duk harsuna suka samo tushe daga gare shi. Dangane da wannan magana ga ta bakin Yusuf (2007:13)

'Normally, as community that speak one language continues to expand, there is possibility that there will be dialect variations. People within such communities will understand one another they find it harder to understand one another the farther the dialect various occur. As the dialects begin to be isolated from each other they develop to different languages.

Fassara:

As the speakers of a language disperse because of war, natural catastrophe, or simply desire to seek another place to live, speakers and their descendants lose contact with each other, over time their manner of speaking begins to differ from that of the original community, and given enough time, the ways of speaking of the various dispersed groups become so different from one another that they are no longer mutually intelligible and must be taken as different languages. We say that these languages belong to the same ‘family’ because each of language can be traced back through time to a single ancestral language”
