SANI Nana: Nana M. Sani is a public affairs principal officer at the National Universities Commission in Nigeria. She had her higher education at the Ahmadu Bello University, Zaria, Nigeria and a master's degree at the National Open University of Nigeria. She is trained to conduct programme accreditation in Communication and Media Relations. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Virtual Institute for Capacity Building in Higher Education as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** nanadbt@yahoo.com. **Telephone:** +2348054405747.

Computing

ABDULLAHI Saleh El-Yakub: Saleh El-Yakub Abdullahi is a professor of computer science with over six years of experience in quality assurance and accreditation. He obtained his BSc in computer science from Abubakar Tafawa-Balewa College under Ahmadu Bello University in 1987, MSc in computer science from University of Lagos and PhD in Computer Science from Queen Mary and Westfield College, University of London. He has worked in the IT departments of NITEL and MTEL from 1996 to 2015 when he retired as the last MD/CEO of MTEL. He started his academic career with Abubakar Tafawa-Balewa University in 1988 as a graduate assistant. He was a lecturer at Lefke University in Cyprus 1994-95, visiting senior lecturer/reader at Nigerian Defence Academy from 2009 to 2018 and visiting senior lecturer/professor at Ahmadu Bello University from 2008 to 2020. Professor Abdullahi has been with Nile University of Nigeria, Abuja since 2011 first as a visiting senior lecturer before taking full-time appointment in 2015. He is currently the Director of Academic Planning of the same University. His research areas include operating systems, programming languages and software engineering. **Email:** seabdullahi@yahoo.com. **Telephone:** +2348091348811.

ABDULWAHAB Lawan: Abdulwahab Lawan is a professor of information technology with over 27 years' experience in both university and industry. He obtained PhD information technology at the Universiti Utara Malaysia in 2012. M.Sc. (Computer Science) at Abubakar Tafawa Balewa University, Bauchi, Nigeria, In 1996. A fellow of Nigeria Computer Society, Member the Society of Digital Information and Wireless Communication (SDIWC), and Member Internet Society. He is trained to conduct programme accreditation in computer science, information systems and information technology. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. Email abd_wahhb@yahoo.com. **Telephone:** +2348148468986.

ADEROUNMU Ganiyu Adesola: Ganiyu A. Aderounmu is a professor of computer science and engineering with over 28 years' experience in embedded systems, data communication and computer network and cybersecurity. He had his higher education at the Obafemi Awolowo University Ile-Ife, Nigeria and specialised training at Virtual Institute for Capacity Building in Higher Education (VICBHE). He is trained in Fundamentals, Current Practice and Future Directions of Accreditation in Higher Education. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** gaderoun@oauife.edu.ng. **Telephone:** +2348035177940.

AKWUKWUMA Veronica: Veronica V.N. Akwukwuma is a professor of computer science and software engineering with 8 years' experience in programme accreditation. She had her higher education at the University of Benin, Nigeria, and University of Lagos, Nigeria. She is trained to conduct programme accreditation in computer science, software engineering, management information system, information technology and artificial intelligence. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** nakwukwuma@uniben.edu **Telephone:** +2348033440003.

AWODELE Oludele: Oludele Awodele is a professor of computer science and artificial intelligence with over 10 years' experience in quality assurance and accreditation. He had his higher education at the University of Ilorin and Federal university of Agriculture, Abeokuta, Nigeria. He is trained to conduct programme accreditation in computer science, artificial intelligence, cyber security, information systems, software engineering and information technology. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** awodeleo@babcock.edu.ng. **Telephone:** +2348033378761.

CHIGOZIE-OKWUM Chioma: Chioma Chigozie-Okwum is a distinguished researcher and university faculty member with specialization in cyber security. She obtained her bachelor of science degree in computer science from the Michael Okpara University of Agriculture Umudike, her master of science degree in information technology from the National Open University of Nigeria, and her doctorate degree in cybersecurity from the Ebonyi State University Abakaliki. She is trained to conduct programme accreditation in computing. She has received training in the conduct of program and institutional accreditation from the Virtual Institute for Capacity Building in Higher Education, of the Nigerian Universities Commission. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** chiomaokwum@gmail.com **Telephone:** +2348038798153 .

DANIEL Ayomide : Ayomide D. Daniel is a principal research and innovation officer at the National Universities Commission with over 10 years experience in quality assurance and accreditation. She had her first degree in computer science at the Ladoko Akintola University of Technology Ogbomosho, Nigeria. She is trained to conduct program accreditation in science and engineering. **Email:** aykk0101@yahoo.com **Telephone:** +2348034344471.

EGBOKHARE Francisca: Francisca A. Egbokhare is a professor of computer science. She had her higher education at the University of Benin, Nigeria. She is trained to conduct programme accreditation in computer science. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** fegbokhare@uniben.edu **Telephone:** +2348037180057.

MEJABI Omenogo: Omenogo V. Mejabi is a professor of information and communication science involved in institutional quality assurance evaluation and policy formulation over the past 15 years. She had her higher education at the University of Ibadan and the University of Ilorin, both in Nigeria, and at Aston University, England. She is trained to conduct programme accreditation in information technology and information systems. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** ovmejabi@gmail.com **Telephone:** +2348037213521.

OLADIPO Francisca: Francisca Oladipo is a professor of computer science with over 7 years' experience in university accreditation. She had her higher education training at Nnamdi Azikiwe University, Nigeria, post-doctoral training at Massachusetts Institute of Technology (MIT) and short professional development courses from Oxford University Department of Continuing Education and the University of Essex. She is trained to conduct programme accreditation in computer science, computer education and information technology. She has also been trained in institutional

accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** francisca.oladipo@fulokoja.edu.ng. **Telephone:** +2348034725167.

ONAMADE Akintoye: Akintoye A. Onamade is the acting head of the department in the Department of Computer Science, Adeleke University, Ede, State of Osun, Nigeria. He is a senior lecturer with over 15 years of teaching experience in the university systems. He started his higher Education at Tai Solarin College of Education, Ijebu-Ode, Ogun State, Nigeria, where he obtained a National Certificate in Education in Mathematics and Biology in 1994. He earned a Bachelor of Science degree in Mathematical Sciences (Computer Science Option) in 2000 from the Federal University of Agriculture, Abeokuta, Ogun State, Nigeria. He had a Master's degree in Computer Science from the University of Ibadan, Nigeria, in 2010. He earned his Ph.D. from the University of South Africa in 2020, and his research focus is computing, telemedicine and health informatics. He had specialized training in quantitative research design for Master and Ph.D. students. He had received an honorable mention award for delivering quality work consistently and efficiently. He was commended for his innovative contribution to the design and implementation of CGPA computation software in his place of work. **Email:** onamadeakintoye@gmail.com. **Telephone:** +2347030667893.

OTUYA Chinedu: Chinedu Otuya is an ICT professional with over a decade of experience in quality assurance with the National Universities Commission (NUC). He has a bachelor's degree in Computer Engineering from Covenant University, Ota in 2008 and a master's degree in Information Systems at Marladalen University, Sweden in 2012. He has also acquired several trainings locally and internationally on ICT courses including a work/study visit the prestigious Oxford University, United Kingdom in 2018. Also among his certification is specialization in database management in Oracle. Chinedu is currently an Assistant Chief ICT Officer with the NUC, and he is credited with secretariat role in the publication of the annual Nigerian University System Statistical Digest. He also has experience with NUC accreditation and resource verification visits to Nigerian Universities. He was certified in 2021 by the Virtual Institute of Capacity Building for Higher Education (VICBHE) in quality assurance. **Email:** ccotuya@nuc.edu.ng. **Telephone:** +2348037861382.

SODIYA Adesina: Adesina S. Sodiya is a professor of computer science and cybersecurity with over 6 years' experience in quality assurance and accreditation. He had his higher education at the University of Lagos and Federal University of Agriculture, Abeokuta, Nigeria He had his postdoctoral fellowship at University of Calgary, Canada under United Nation University (UNU)/ International Institute of Software Technology training programme. He is trained to conduct programme accreditation in computer science, cybersecurity, information technology and software engineering. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** sodiyaas@funaab.edu.ng. **Telephone:** +2348034551851.

SORIYAN Hettie Abimbola: Hettie A. Soriyan is a professor of computer science with over 8 years' experience in accreditation. She had her higher education at the Obafemi Awolowo University, Ile-Ile, Nigeria and specialised training in Health Informatics at the University of Kuopio, Kuopio, Finland. She is trained to conduct programme accreditation in Computer Science, Health Informatics, Information Systems, and Software Engineering. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** hasoriyan@gmail.com. **Telephone:** +2348037179520.

SULEIMAN Abdulkarim Giwa: AbdulKarim Giwa Suleiman is a Senior Information and communication Technology Officer at the National Universities Commission. He had his Higher education at Sunway University Malaysia where he obtained a dual bachelor's degree in Information Systems from both Lancaster University UK and Sunway University Malaysia. He had specialized training in Business Intelligence and Data Mining and gained expertise in the use of SAS software tools from SAS Institute in Malaysia. He had specialized training on ICT management in Higher Education in areas of Data processing and database, Linux administration and security and AWS and web administration from Oxford City Academy for Education and Development in the United Kingdom. He also holds a Diploma in Public Accounting and Auditing from Kaduna state Polytechnic. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** akgiwa@hotmail.com, aksgiwa@gmail.com. **Telephone:** +2348036141401.

Education

ABDULHAMID Auwal: Abdulhamid Auwal is a professor of Agricultural and Vocational education with over 5 years' experience in quality assurance and accreditation. He had his higher education at the Abubakar Tafawa Balewa University Bauchi, Nigeria and specialized training from some Universities in Nigeria. He is trained to conduct programme accreditation in agricultural education and other vocational education courses. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** abdulhamidauwal@fukashere.edu.ng. **Telephone:** +2348028712901.

ADEGBESAN Olufemi: Olufemi A. Adegbesan is an astute professor of psychology of sport with specialize training in performance enhancement psychology with emphasis on the mental skill application for performance enhancement in elite, non-elites and children sport, motivation in sport and exercise, and psychology of sport injury. He has about 10 years' experience in quality assurance and accreditation. He had his higher education at the University of Ibadan, Nigeria in the department of human kinetics and health education. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** dokitafemi@yahoo.com. **Telephone:** +2348036870535.

ADELEKE Adeyemi: Adeyemi J. Adeleke is a trained quality assurance officer of National Universities Commission with many years of experience in planning and administration of quality assurance policies of government in Nigeria university system. He had his higher education at Kwara state college of education and Ekiti state university Ado-Ekiti. He is trained to conduct all programmes and institutional accreditation in the universities. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a certified accreditor for programme and institutional accreditation. **Email:** adelekedm@gmail.com. **Telephone:** +2348067647300.

AGARAWU Ololade: Ololade A. Agarawu is a staff of National Universities Commission Abuja over 15 years ago. She had her higher education at the university of Ibadan, Nigeria and obtained her M.Ed in educational psychology at university of Ibadan Nigeria. She is trained to conduct programme accreditation in education. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** loladeadewusi@yahoo.com. **Telephone:** +2348035754509.

AHMED Salisu Sanusi: Ahmed Salisu Sanusi is a Principal Accreditation Officer at the Programme Accreditation Division of the National Universities Commission. He had over the years gathered considerable experience in the conduct of programme accreditation in the Nigerian University System and served as Commission's representation in many panels that evaluated numerous programmes across the system. He had his higher education from the University of Abuja and received trainings on general quality assurance and conduct of programme accreditation in Nigerian Universities. E-mail: suavedsals@gmail.com, ssahmed@nuc.edu.ng. **Telephone:** +234 8035745890.

AKANBI Zainab Ajibola: Zainab Ajibola Akanbi has a bachelor's degree in Educational Guidance and Counselling from University of Ilorin and a master's degree in Educational Psychology from University of Lagos. She has been a staff of the National Universities Commission Nigeria for over 12 years. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** zakanbi@yahoo.com **Telephone number** +2348030412743

AWODEYI Amos: Amos F. Awodeyi is a professor of mathematics education with over 20 years' of mathematics teaching at university level. He had his higher education at the University of Lagos, Nigeria, where he trained as a curriculum expert, and also at the University of Nigeria, Nsukka, Nigeria, where he trained as a mathematics education specialist. He is trained to conduct programme accreditation in mathematics education. He has also received training in the conduct of institutional accreditation. He is certified in 2021 by Global University Network for Innovation (Africa) and the African Quality Assurance Network as a certified Accreditor for Programme and Institutional Accreditation. **Email:** afawodeyi@yahoo.com. **Telephone:** +2348023236345.

BADEJO Ayodeji: Ayodeji O. Badejo is a professor of counselling psychology with over 30 years' experience as an academic in the university system. She had her higher education at the Ahmadu Bello University, Zaria and the University of Lagos both in Nigeria. She has served in accreditation teams of the National Universities Commission (NUC) of Nigeria. She has received training in programme and institutional accreditation and was certified in October, 2021 by the Virtual Institute for Capacity Building in Higher Education (VICBHE) as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** ayobadejo2001@yahoo.com. **Telephone:** +2348023013913.

BANDELE Samuel Oye: Samuel O. Bandele is a professor of educational evaluation and computer education with over 20 years' experience in lecturing educational evaluation, research, statistics and computer education. He had his bachelor's degree from the University of Benin and master's and PhD from the University of Ibadan, Nigeria. He had a full-time post-graduate diploma equivalent of a bachelor's degree in computer science from the Ondo State University, now Ekiti State University, Ado-Ekiti, Nigeria. He is a professional Curriculum and Programme Evaluator. He also specialised in computer education and successfully developed and got NUC approval to run computer education degree programme in the Faculty of Education, Ekiti State University. He has received training in the conduct of institutional accreditation. He was certified in 2021 by the Global

University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** samoyebandele2019@gmail.com. **Telephone:** +2348139152995.

BELLO Theodora: Theodora O. Bello is a professor of science (physics) education with over 25 years of teaching experience in physics and science education. She has B.Sc. Physics, M.Sc. (Nuclear Physics), M.Ed. (Curriculum Studies), M.Phil. and Ph.D. (Atmospheric Physics) all at Obafemi Awolowo University, Ile-Ife. She is a trainer in proposal writing, a resource person for National Teachers' Institute and Universal Basic Education Programme training teachers in Basic Science, Integrated Science, ICT and Mathematics. He had his higher education at the Lagos State University and University of Lagos, Nigeria specialising in educational administration and planning. He is a member of the Nigerian Association of Educational Administration and Planning as well as the International Society for Development and Sustainability. He was trained on the electronic teaching and learning in the Nigerian universities as well as Open and Distance Learning. In addition, he recently received a global training on programme and institutional accreditations. **Email:** piusjide@gmail.com. **Telephone:** +2348069421354.

JIBRIL Zainab Aliyu: Jibril Zainab Aliyu is a Certified Librarian & a Quality Assurance Officer with the Department of Information & Communication Technology of the National Universities Commission, Abuja - Nigeria. She attended Ahmadu Bello University, Zaria & obtained her undergraduate Degree in Library and Information Science (BLIS) in 2006 and also did a master's degree in information management (MIM) in 2016. She is a trained teacher with NCE in Primary Education Studies from College Education Akwanga (1994). She had worked with the Nassarawa State Teachers Service Commission, Lafia, for about 10 years ie 2000 - 2009. She also obtained a Diploma certificate in Computer Studies from same College of Education, Akwanga in 2000. She got employed with NUC in 2009 as a Trainee Officer II & rose to her current position of a Principal Librarian with the Directorate of Research, Innovation and Information Technology. **Email:** zainabaj25@gmail.com. **Telephone:** +2348037881563.

JOSEPH Eme: Eme U. Joseph is a professor of measurement and evaluation with experience in quality assurance and accreditation. She had her higher education in chemistry education, measurement and evaluation from the University of Calabar, Nigeria. She is trained to conduct programme accreditation in chemistry education and educational measurement and evaluation. She has also been trained in the conduct of institutional accreditation. Professor Joseph was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** emejoseph@uniuyo.edu.ng. **Telephone:** +2348023263002.

LABO-POPOOLA Serifat: Serifat O. Labo-Popoola is a professor of language education with about three years' experience in quality assurance and accreditation. She had her higher education at the University of Ibadan, Nigeria. She is trained to conduct programme accreditation in English education. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** shareefah717@yahoo.co.uk **Telephone:** +2348033977411.

MAKINDE Solomon: Solomon O. Makinde is a professor of Yoruba language education with about seven years' experience in quality assurance and accreditation. He had his higher education at the following universities in Nigeria: Ogun State University (Now Olabisi Onabanjo University, Ago-Iwoye), University of Ibadan, and Lagos State University, Ojo, Lagos. He is trained to conduct programme accreditation in Yoruba education and English education. He has also received training in the conduct of institutional accreditation. **Email:** lanremakinde2015@gmail.com. **Telephone:** +2348035986698.

MANYETERA Susan Chinangwa: Susan Chinangwa Manyetera is an experienced quality assurance specialist with over 22 years of teaching experience. She had obtained her MA in International Educational Management at University of Leeds in the UK. She is a trained external quality assurance professional and facilitates registration and accreditation assessments in Malawi. She has also just received training to conduct institutional accreditation and was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for programme and institutional Accreditation. **Email:** smanyetera@nche.ac.mw. **Telephone:** +265992944440.

MBAH Patricia Etuna: Patricia E. Mbah is a professor of home economics education with over 17 years' experience in quality assurance and accreditation in Nigeria. She had her higher education at University of Benin, Nigeria and specialized training in learning how to learn for teachers in Germany. She had another specialized training at the school of agricultural, forest and food sciences, Bern University of Applied food sciences in Zollikofen, Switzerland. She is trained to conduct programme accreditation in home economics education, nutrition & dietetics, entrepreneurship education and hospitality management and tourism. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** pat_mbah@yahoo.com. **Telephone:** +2348033081711.

MBAJIORGU Ngozika: Ngozika Marian Mbajiorgu is a professor of science education with over 10 years' experience in quality assurance and accreditation. She had her higher education at the University of Nigeria, Nsukka, Nigeria. She is trained to conduct programme accreditation in biology education. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** nmbajiorgu@yahoo.com. **Telephone:** +2348068090177.

MMEKA Esther: Esther I. Mmeka is a Ph.D holder in Educational Management with over 15 years' experience as a regulator in the aspects of academic planning. She had her higher education at the Lagos State University and the University of Port Harcourt, Nigeria. She is trained to facilitate the conduct of programme accreditation, institutional accreditation and monitoring and evaluation of academic activities in Nigerian University System. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by Virtual Institute for Capacity Building in Higher Education (VICBHE) as a Certified Accreditor. **Email:** esthernuc@gmail.com. **Telephone:** +2348023217661.

MUSA Iliyasu: Iliyasu Musa is a senior staff of National Universities Commission, a graduate of Ahmadu Bello University, Zaria with B.Ed in Social Studies Education, PGD Management and a master degree in International Relations. He has received training in the conduct of accreditation

and has participated in program accreditation for over 20 years within Universities in Nigeria. A trained Quality assurance expert armed with a certificate from the 1st Module of VICBHE. **Email:** ilmus50@yahoo.com. **Telephone:** +2348033193779.

NNABUEZE Ursula: Ursula C. Nnabueze is a professor of public health education with over 25 years' experience in gender, women health issues and reproductive health teaching and research. She had her higher education at the University of Nigeria, Nsukka and Enugu State University of Science and Technology (ESUT). She is currently the Director, Institute of Education ESUT and was the UNICEF consultant on menstrual hygiene management practices of the Nigerian school girls in 2015. A visiting scholar to the department of health, physical education and recreation, University of Cape Coast, Ghana 2009-2011. She is a member of seven public health and physical education professional bodies both nationally and internationally with over 80 publications spread across institutions, associations and countries. **Email:** nna_bueze@yahoo.com. **Telephone:** +2347031234214.

OBILADE Oluyemisi: Oluyemisi O. Obilade is a professor of adult education and women studies with some 20 years' experience in accreditation. She had her higher education at the University of Ife and Obafemi Awolowo University where she obtained her bachelor's degree, Master's degree and Ph.D. in Adult Education. She has received some specialised training in gender and resource mobilization at the Ghana Institute of Management and Personnel Administration (GIMPA). She has also received training as an accreditor and is trained to conduct programme accreditation in adult education, gender and women's studies. She has as well received training in the conduct of institutional accreditation and has participated in as well as hosted accreditation teams. She is a Fellow of the International Women's Forum Leadership Foundation, Washington D.C. and a recipient of the Thabo Mbeki Leadership award. She has served as a Vice-Chancellor, and as a Commissioner for Education. She has also served as assessor and external examiner to tertiary institutions within and outside Nigeria. She has been team leader of several national and international research projects on education, gender and women's rights. **Email:** oobilade@gmail.com. **Telephone:** +2348037196667.

OBUNADIKE Joy Chinwe: Joy C. Obunadike is a professor of home economics education with over 6 years' experience as a professor. She had her first degree in home economics at University of Uyo, masters and phd in educational administration and supervision at Nnamdi Azikiwe University Awka and her second phd in home economics at Delta State University Abraka. Just finished training as certified accreditor. **Email:** dikejjoy@yahoo.com. **Telephone:** +2348037105761.

ODAMA Gabriel: Gabriel I. Odama is a thoroughbred staff of the National Universities Commission with over 11years' experience in quality assurance and accreditation. He had his higher education at the University of Ibadan, Nigeria. He is trained to conduct programme accreditation in arts, education, sciences and social sciences. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** gabrielodamaj@gmail.com. **Telephone:** +2348038401336.

OKEBUKOLA Foluso: Foluso O. Okebukola is a professor of curriculum studies (language education) with 20 years' experience in university teaching and research. She had her higher education leading to a PhD at the University of Lagos, Nigeria. She has been an accreditor for the National Universities Commission (NUC). She is trained to conduct programme accreditation in English language and literature education. She has also received training in the conduct of

institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a certified Accreditor for Programme and Institutional Accreditation. **Email:** folusookbukola@gmail.com. **Telephone:** +2347066277262.

OKEBUKOLA Peter Akinsola: Peter A. Okebukola is a distinguished professor of science and computer education with over 25 years' experience in quality assurance and accreditation. He had his higher education at the University of Ibadan, Nigeria and specialised training at Harvard University and Massachusetts Institute of Technology (MIT). He is trained to conduct programme accreditation in biology education, computer education and environmental education. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** pokebukola@yahoo.com. **Telephone:** +2348022904423.

OKUNEYE Rafiu Olaoluwa: Rafiu O. Okuneye is a professor of Exercise Physiology at the Department of Human Kinetics, Sports and Health Education, Lagos State University, Ojo, Nigeria. He had his higher education at both Obafemi Awolowo University, Ile-Ife where he obtained his Bachelor's degree in 1987 and University of Lagos, Akoka where he obtained his Master's degree in 1988 and later Ph.D in 1992. He was a member of Quality Assurance Implementation Committee for the University and later became Director, Directorate of Quality Assurance. He had attended many conferences, workshops and seminars on Quality Assurance and Accreditation process nationally and internationally. He had served as a Resource person for Programme Resource Assessment and as an Accreditor for programme Accreditation several times. **Email:** laolurafiu@yahoo.co.uk. **Telephone:** +2348023422948.

OKWORI Adejo: Okwori Adejo, is a Professor of Educational Administration and Planning. He holds the Ph.D Educational Administration and Planning, from the University of Nigeria, Nsukka. He began his university career in Benue State University, Makurdi in 1994, where he is currently contributing to knowledge and forming lives. He is a Fellow, Nigerian Association for Educational Administration and Planning (FNAEAP), Council of Fellows Nigerian Association for Educational Administration and Planning (NAEAP), Fellow of the Institute of Corporate Administration (FCAI), Meritorious Diamond Award for National Development by Corporate and Media Africa Communications Ltd., Most Outstanding HOD Award from Educational Foundations Students Association. The professor has acquired an impressive academic and administrative exposure. He is Editor-in-Chief/Chairman of Editorial Board of Benue State University Journal of Educational Management (BSUJEM).. **Email:** okworiadejoh@gmail.com, **Telephone:** +2348036295141.

OLADAYO Olaosebikan Thompson: Dr. Oladayo, Olaosebikan Thompson is a lecturer at Michael and Cecilia Ibru University Agbarha-Otor, Delta State. He had his Nigeria Certificate in Education (NCE) at Adeniran Ogunsanya College of Education, Otto-Ijanikin in Computer Science/Mathematics in 1997. He had bachelor's in education at University of Ilorin, in Educational Guidance and Counselling in 2001. He had his master's in education and Doctor of Philosophy in Educational Psychology between 2009 and 2014 from University of Port Harcourt respectively. He joined Michael and Cecilia Ibru University in 2016. In 2018, he was appointed Deputy Provost of Michael and Cecilia Foundation College of Education. He was also appointed as the University Guidance Counsellor. He received training in Theory and Current Developments in Quality Assurance in Higher Education and Fundamentals, Current Practice and Future Directions of Accreditation in Higher Education at Virtual Institute for Capacity Building in Higher Education and got Credit and Distinctions respectively in 2021. He authored books and had several national and international research publications. **Email:** oladayoot@gmail.com. **Telephone:** +2348136948925.

ONUOHA Florence: Florence U. Onuoha is a principal academic planning officer at the National Universities Commission with 11 years' experience in quality assurance and accreditation. She had her higher education at the University of Jos, Nigeria. She is trained to conduct programme accreditation in education, arts and other disciplines as an NUC representative in the panel. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a certified Accreditor for Programme and Institutional Accreditation. **Email:** flonuoha@yahoo.com. **Telephone:** +2348030900037.

OWOLABI Olatunde: Olatunde Lawal Owolabi is a professor of Physics Education at the Department of Science and Technology Education, Lagos State University, Ojo- Lagos , Nigeria. He had his higher education (Bsc.Ed, M. Ed and PhD) at the University of Lagos, Akoka. He has attended many workshops and international conferences on Quality Assurance in Higher Education in Africa. He received training in the conduct of programme accreditation and has been involved in the conduct of programme accreditation in Physics Education with the National Universities Commission. He has also received training on institutional accreditation and was certified by the Virtual Institute for Capacity Building in Higher Education (VICBHE). **Email:** owot2002@yahoo.co.uk **Telephone:** +2348037039663.

SALI Maryam: Maryam Sali is a Doctor of Library and Information Science. She had her higher education at the University of Maiduguri and Ahmadu Bello University, Zaria, Nigeria, with 33 years of working experience in the National Universities Commission (NUC), Nigeria. She worked in various Directorates of the Commission, which include programme Planning, Quality Assurance, Inspection and Monitoring as well as Accreditation. She is trained to conduct Programme and Institutional Accreditation. She is also trained in Quality Assurance in Higher and Tertiary Education by the Association of African Universities, trained in Quality Assurance by the Quality Assurance Agency for Higher Education, United Kingdom and She was certified in 2021 as a Certified Accreditor for Programme and Institutional Accreditation by the Virtual Institute for Capacity Building in Higher Education (VICBHE). **Email:** maryamsali73@gmail.com **Telephone:** +2348036529399.

SALMAN Medinat Folorunso: Medinat, F. Salman is a professor of mathematics education. She had her undergraduate and postgraduate degrees at the Ahmadu Bello University, Zaria and University of Ilorin, Nigeria respectively. She had Computer training at the University of Ilorin in 2003 and also received training in the conduct of programme accreditation in mathematics education by the National Universities Commission of Nigeria. **Email:** salman_mf2005@yahoo.com. **Telephone:** +2348035725654.

SANNI Rasheed: Rasheed Sanni is an associate professor of mathematics education. He is a scholar with first class honours and internationally acknowledged researcher in mathematics education who has received nineteen academic awards and fellows. He got his doctorate in 2009 from university of the Witwatersrand, South Africa. Rasheed presently tests and measurement, educational statistics, research methods and methodology courses in mathematics education. He has received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** riosan1@yahoo.co.uk. **Telephone:** +2348033278969.

SELENGO Elias: Elias Fredrick Selengo is an educationist with five years' experience in quality assurance and accreditation. He had his Bachelor of Arts degree in Education from Mzuzu University in Malawi and Master of Management in Social Development from Mohammed V

University, Agdal in Morocco. He is currently working with National Council for Higher Education as Quality Assurance Specialist. He is at the centre of coordinating all assessments for programme and institutional accreditation. He has conducted several trainings in quality assurance in Malawi, Ghana, Cameroon, Senegal, Zambia, Botswana, Zimbabwe and South Africa. **Email:** eliaselengo@yahoo.co.uk. **Telephone:** +265884081775.

UMOBONG Mfonobong: Mfonobong E. Umobong is a professor of psychometric, education chemistry, measurement and evaluation with about 10 years' experience in quality assurance and accreditation. She had her higher education at the University of Ibadan, Nigeria. She is trained to conduct programme accreditation in chemistry education, educational measurement and evaluation and psychology of education. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** mfonobongumobong@uniuyo.edu.ng. **Telephone:** +2348035079349.

UMORU Titus A: Titus A. Umoru is a professor of business education with over 8 years' experience in quality assurance and accreditation. He had his higher education at Nnamdi Azikiwe University, Awka and University of Nigeria, Nsukka and specialized in business education. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** umoruglo@yahoo.com. **Telephone:** +2348033519030.

YAHAYA Lasiele Alabi: Lasiele A. Yahaya is a professor of guidance and counselling with over 5 years' experience in quality assurance and accreditation. He had his higher education at the University of Ilorin, Nigeria and a specialised training on quality assurance by the Association of African Universities Accra, Ghana. He has also been trained to conduct programme accreditation in guidance and counselling and counsellor education by the National Universities Commission of Nigeria in 2021. **Email:** yalasia@gmail.com. **Telephone:** +2348033854699.

Engineering/Technology

ABDULKAREEM Saka: Professor Abdulkareem Ambali Saka has a PhD degree in Chemical Engineering from the University of Witwatersrand, Johannesburg, South Africa and a MEng and BEng degree in Chemical Engineering from the Federal University of Technology, Minna, Niger State Nigeria. He is trained on higher education and assessment development by the Rhode University, South Africa in 2008 and higher education assessor and moderator by the Botswana University of Science and Technology in 2021. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** kasaka2003@futminna.edu.ng **Telephone:** +2347068482432.

ACHUMBA Ifeyinwa Eucharria: Ifeyinwa E. Achumba (female) is a professor of electronic and computer engineering with over 20 years' experience in teaching and research with quality assurance. She obtained her higher education degrees from University of Nigeria Nsukka (UNN), Nigeria; Federal University of Technology, Owerri (FUTO), Nigeria; and University of Portsmouth, United Kingdom (UK). She did her postdoctoral research at the University of Portsmouth, UK. She

is trained to conduct programme accreditation in electronic and computer engineering. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** ifeyinwaeucharia@yahoo.com. **Telephone:** +2348100495399.

ADEJUMO Bolanle: Bolanle A. Adejumo is a professor of agricultural and bioresources engineering with over 7 years' experience in quality assurance and accreditation. She had her higher education at the University of Ibadan, Nigeria. She is a registered Engineer with Council for the Regulation of Engineering in Nigeria (COREN), member American Society of Agricultural and Biological Engineers (ASABE), Nigerian Society of Engineers (NSE) and Nigerian Institution of Agricultural Engineers (NIAE). She is trained to conduct programme accreditation in agricultural engineering and food science technology. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** baadejumo@futminna.edu.ng **Telephone:** +2348065029056.

AKPAN Uduak: Uduak G. Akpan is a professor of chemical engineering with over 24 years lecturing experience in chemical engineering. He had his higher education at the Ahmadu Bello University, Zaria, Nigeria where he obtained both B.Eng and M.Sc degrees in chemical engineering, and a PhD in the same field at Universiti Sains Malaysia (USM), Penang, Malaysia. He is trained to conduct Programme accreditation in engineering and technology. **Email:** ugaekon@yahoo.co.uk. **Telephone:** +2348068265308.

ANYANWU Onyewuchi: Onyewuchi J Anyanwu is an electrical engineer with over 6 years' experience in quality assurance and accreditation. He had his higher education at the University of Nigeria Nsukka, Nigeria. He is trained to conduct programme accreditation in biology education, computer education and environmental education. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** anyanwuoj@gmail.com. Telephone +2348037038975.

BABAGANA Gutti: Babagana Gutti is a professor of chemical engineering with over 10 years' experience in quality assurance and accreditation. He had his higher education at Ahmadu Bello University, Zaria, Kaduna, Nigeria and University of Lagos, Lagos, Nigeria. He is trained to conduct programme accreditation in chemical and biomedical engineering. He has conducted several accreditation exercises to the National Universities Commission (NUC) and Council for the Regulation of Engineering in Nigeria (COREN). He is also an external examiner to several Nigerian universities. **Email:** babaganagutti@gmail.com. **Telephone:** +2348034626874.

EKECHUKWU Onyemaechi Val: Onyemaechi Val Ekechukwu is a professor of applied solar thermal energy with over 14 years' experience in quality assurance and accreditation. He had his higher education at the University of Ibadan and the Cranfield Institute of Technology, UK and specialised training at the foremost Solar Energy Laboratory, University of Wisconsin, Madison USA, Universität Karlsruhe and Forschungszentrum Karlsruhe, Germany and the International Centre for Theoretical Physics, Trieste, Italy. He is trained to conduct programme accreditation in the engineering discipline. He has at several times chaired NUC accreditation panels and been resource verification expert in engineering. He was Director, Research & Innovation and ICT at

the National Universities Commission, Nigeria. **Email:** ovekechukwu@yahoo.com; **Telephone:** +2348030802213

IYA Shehu: Shehu A. Iya is a professor of agricultural engineering. He had his Bachelor's degree at the University of Maiduguri in 1987, he obtain his Masters and Ph.D degrees at the prestigious Ahmadu Bello University, Zaria and University of Ilorin respectively. He had specialised in farm power and machinery. A one-time Deputy Vice Chancellor (Admin.), Dean Faculty of Engineering among other responsibilities all at the Modibbo Adama University. He has participated in programme accreditation in some Nigerian universities under the auspices of National Universities Commission (NUC). He was one time Chairman of Council of the Adamawa State Polytechnic, Yola. He has obtained a Post Graduate Higher Certificate in Education from Grenoble Graduate School of Business at France. He is a COREN registered Engineer.

KOVO Abdulsalami: Kovo Abdulsalami is a professor of chemical engineering from the Federal University of Technology, Minna, Nigeria with over 19 years' experience in quality assurance and accreditation. He had his first and master's degrees from the Federal University of Technology, Minna and then PhD from the University of Manchester, United Kingdom. He is trained to conduct programme accreditation in chemical, petroleum and material engineering education. He has also received training in the conduct of institutional accreditation. He is certified with distinction certification in 2021 by the Global University Network in Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** kovo@futminnaedu.ng **Telephone:** +2347013377258.

LASODE Olumuyiwa: Olumuyiwa A. Lasode is a professor of mechanical engineering with over thirty years' experience. He had his higher education at the University of Ilorin, Ilorin. He is trained to conduct accreditation in mechanical engineering, thermofluids engineering, and automotive engineering. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** lasodeoa@gmail.com. **Telephone:** +2348066778409.

NWOBODO-NZERIBE Nnenna: Nwobodo-Nzeribe, Nnenna Harmony is a senior lecturer in Enugu State University of Science and Technology (ESUT). She possesses B.Eng in Electrical/Electronic Engineering from Enugu State University of Science and Technology (ESUT), M.Eng in Electrical/Electronic/Computer Engineering) and PhD in Electronic and Computer Engineering-both from Nnamdi Azikiwe University (NAU), Awka, Anambra State. She obtained an MPhil in Biomedical Technology from Anglia Ruskin University (ARU), Chelmsford, Essex, United Kingdom. She has received training of both module one and two of Virtual Institute for Capacity Building in Higher Education (VICBHE) and has which earned a certified international accreditor. She has also received training and has certificate on open distance learning (ODL) **Email:** nnenna.nwobodo@esut.edu.ng. **Telephone:** +2348057748204.

ODUSOTE Jamiu Kolawole: Jamiu K. Odusote is an associate professor of materials and metallurgical engineering with experience in quality assurance and accreditation. He had his higher education at the University of the Witwatersrand, South Africa; University of Ibadan, Nigeria; and Obafemi Awolowo University, Nigeria. He had his postgraduate diploma in education at Tai Solarin University of Education, Nigeria. He is a registered Engineer with Council for Regulation of Engineering in Nigeria. He is trained to conduct programme accreditation in Engineering and other allied programmes. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African

Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** Odusote.jk@unilorin.edu.ng. **Telephone:** +2347038848812.

OKAFOR Ephraim Nzadi Chimela: Ephraim N C Okafor is a professor of electrical engineering at federal University of Technology Owerri Nigeria for the past 12years on teaching and research on power system, electric power planning and control. He had his higher education at Institute of Management and Technology Enugu and Federal University of Technology Owerri Nigeria where he obtained HND & B.Eng. His postgraduate studies were at university of Lagos and FUTO where he obtained M.Sc Eng and Ph.D respectively. He is a trained to conduct program accreditation in electrical and electronic engineering and has worked with national universities commission (NUC), National Board for Technical Education (NBTE) and Council of Regulation of Engineering in Nigeria (COREN) for the past 12years on accreditation. He has received training in the institutional accreditation. He was certified in 2021 by the Virtual Institute Capacity Building in Higher Education (VICBHE) and Accreditor for programme and institutional. **Email:** encokafor2000@yahoo.com and ephraimnc.okafor@futo.edu.ng. **Telephone:** +2348033273974

ONYEKA Julius Okezu: Julius Okezu Onyeka is a professor of civil engineering (structures) with upto 15 years' experience in quality assurance and accreditation exercises. He obtained a master's degree in structural engineering from Rutgers - the State University of New Jersey, USA and a doctorate degree from the Anambra State University, Uli. He conducts programme accreditation into both civil and structural engineering for both professional engineering bodies and national agencies. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** juliusonyeka@yahoo.com. **Telephone:** +2348037098006.

SOWUNMI Adetunji: Adetunji R. Sowunmi is a registered Engineer with the Council for the Regulation of Engineering in Nigeria (COREN) and Nigeria Society of Engineers (NSE) with over 13 years' experience in the field of mechanical Engineering with specialization in material science for energy applications. He has his higher education degrees, first at Federal University of Technology, Minna, Nigeria, second degree at University of Lagos, Nigeria and PhD at Ahmadu Bello University, Zaria, Nigeria all in the field of Mechanical Engineering. At National Universities Commission, he is trained in quality assurance through the conduct of accreditation of academic programme as well as institutional accreditation. He was recently certified by Virtual Institute for Capacity Building in Higher Education in theory, practice and current development in quality assurance in Higher Education. **Email:** mechsar006755@yahoo.com. **Telephone:** +2348051949020.

YAHAYA Aliyu Abubakar: Aliyu Abubakar Yahaya an employee of National Universities Commission Abuja, Nigeria with over 10years experience in quality assurance and accreditation. He had his higher education at the Kano State University of Science and Technology Wudil, Kano and specialised training at Nigeria Society of Engineers. He is trained to conduct programme accreditation. He has also received training in the conduct institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the Quality Assurance Network as a certified Accreditor for programme and institutional accreditation. **Email:** bubaaliu@gmail.com **Telephone:** +2348036081020.

YAHUZA Ibrahim: Ibrahim Yahuza is a senior lecturer with over 11 years' experience in teaching and research. He had his doctorate degree in automotive engineering at the Abubakar Tafawa Balewa University (ATBU) Bauchi, Nigeria and specialised in automotive fuels. He is trained to conduct programme accreditation in engineering by Council for the Regulation of Engineering in Nigeria (COREN). He was certified in 2021 by COREN as a Certified Train-the-Trainers on Outcome

Based Education (OBE) programme accreditation in engineering courses. He is presently the head of department, automotive engineering at Air Force Institute of Technology (AFIT) Kaduna, Nigeria. **Email:** ibnyahuza2@gmail.com. **Telephone:** +2348036907285.

Environmental Sciences

ASEBIOMO Modupe: Modupe M. Asebiomo is a mtech degree holder in construction management with over 20 years' experience in the building industry and the built environment and over 10 years' experience as NUC representative to programme accreditation in universities across the country. She had her higher degree education at the University of Jos, Nigeria and Federal University of Technology, Minna. She is trained to conduct programme accreditation in environmental sciences. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for innovation (African) and the African Quality Assurance Network as a Certified Accreditor for Programme and institutional Accreditation. **Email:** mmasebiomo@nuc.edu.ng **Telephone:** +2348036926356

AYENI Kolade: Olumuyiwa Kolade Ayeni is currently a Chief Town Planning Officer in the National Universities Commission in Nigeria. He had his higher education at the University of Ibadan, Nigeria where he obtained his master's degree in Urban and Regional Planning. He also had specialised training in Basic Archive and Record Management, Project Management Essential Skills and Leadership Development and Team Building. He has received training in the conduct of programme accreditation and institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** ayenikolade6@gmail.com. **Telephone:** +2348061371387

BELLO Victoria: Victoria A. Bello is a professor of real estate valuation with 2 years' experience in quality assurance and accreditation. She had her Bachelor of Science degree at Obafemi Awolowo University, Ile - Ife and Masters and Ph.D at the Federal University of Technology, Akure, Nigeria. She is trained to conduct programme accreditation in environmental science. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** vicbellofuta@yahoo.com. **Telephone:** +2348036688879

BELLO Oyewole Mustapha: Mustapha Oyewole BELLO is a Professor of Real Estate Investment Analysis and Land Management in the Department of Estate Management, Federal University of Technology Akure, Nigeria. He obtained a Bachelor of Science Degree in Estate Management from University of Ife (now Obafemi Awolowo University) Ile Ife Nigeria, Master of Science from University of Lagos, Lagos Nigeria and PhD from Federal University of Technology, Akure Nigeria. He has over ten years' experience in resource verification, accreditation and quality assurance management in higher institutions. He has participated in programme accreditation in more than twenty higher institutions for National Universities Commission, National Board for Technical Education and Estate Surveyors and Valuers Registration Board of Nigeria. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a certified accreditor for programme and institutional accreditation. **Email:** mobello@futa.edu.ng; oyewolebello@yahoo.com. **Telephone:** +2348034741382

EDE Precious: Precious N. Ede trained as a Geographer in the University of Port Harcourt. He has been involved in academic and professional geography all his working life and was originally employed in the Institute of Geosciences and Space Technology, Rivers State University, Port Harcourt. He is presently a research Professor in climatology, specializing in emissions modelling and air pollution. He was also a visiting lecturer in Air Pollution and Emerging Technologies at the Institute of Petroleum Studies, University of Port Harcourt. NYANDWI Ramadhan: Ramadhan NYANDWI is an assistant lecturer of Pharmacology and Toxicology with training in quality assurance and accreditation in higher education. He had his higher education at University of Rwanda (Ex-National University of Rwanda), in Rwanda; a master's degree in Pharmacology and Toxicology at Bursa Uludag University, Turkey; and he has started his PhD program at the University of Burundi Doctoral School in the option of Natural, Life and Bioengineering Sciences. He is currently member of Youngs East African Health Research Scientists' Forum, Associate Editor of the East Africa Sciences Journal, member of the Pan-African Scientific Research Consortium, and member of International Research Consortium based at the Lagos State University- African Centre of Excellence in STEM Education (a World Bank Project)-Nigeria. He is trained to conduct programme accreditation in pharmaceutical sciences, Medicine and allied health sciences. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** ramdhannyandwi@yahoo.com, **Telephone:** +25776490427.

UMAR Habibu Danmalam: UMAR, Habibu Danmalam is a professor of pharmacognosy in the Department of Pharmacognosy and Drug Development, Faculty of Pharmaceutical Sciences, Ahmadu Bello University, Zaria-Nigeria. He had his higher education from Usmanu Danfodiyo University, Sokoto-Nigeria (B Sc. Applied Chemistry, 1996) and Ahmadu Bello University, Zaria-Nigeria (M. Sc. 2002; PhD 2011 Pharmacognosy). He is trained to conduct programme accreditation in pharmacognosy, phytochemistry and herbal medicine/pharmacy. He is also trained in the conduct of institutional accreditation. He was certified by the Global University Network for Innovation (Africa) and the African Quality Assurance Network in 2021 as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** hdumar@abu.edu.ng, habibdanmalam@gmail.com. **Telephone:** +234 803 616 2831, +234 809 195 5003.

Sciences

ABDULMALIK Laide: Laide S. Abdulmalik is a Principal ICT Officer in the Directorate of Research, Innovation and Information Technology (DRIIT) at National Universities Commission (NUC) with over 10 years' experience in quality assurance and accreditation. She had her higher education at University of Ilorin, Nigeria and University of Surrey, England respectively. She had a specialized ICT Management in Higher Education training at Oxford City Academy for Education and Development, England. She is trained to conduct programme accreditation in computing, engineering/technology and science disciplines. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (GUNI-Africa) and the African Quality Assurance Network (AfriQAN) as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** shakie365@yahoo.com. **Telephone:** +2348183325396.

ABUBAKAR Maitama Yusuf Hotoro: Abubakar Maitama Yusuf Hotoro is an Associate Professor of Geophysics with over 25 years working experience in the University system. He had his higher education at the Ahmadu University Zaria, Kaduna State in Nigeria. He received formal training in Quality Assurance and Accreditation from Virtual Institutes for Capacity Building In Higher Education. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** mayhotoro@yahoo.com. **Telephone:** +2348036953665.

ACHIMUGU Ramatu: Achimugu Ramatu is a staff of the National Universities Commission Maitama, Abuja, in the Directorate of Accreditation. She had her Bachelor of Science degree in Sociology from Bayero University in 2005. She also attended National Open University of Nigeria in 2017 and earned a Postgraduate Certificate in Education from the Institution. She has participated in several quality assurance assignment of the Commission. **Email:** ibrahimrahma2012@gmail.com. **Telephone:** 08065971152.

ADAIKPOH Martina: Martina Adaikpoh is a professor of toxicology and environmental biochemistry at the University of Benin, Benin-city, where she has been teaching since 2001. Her research focuses on the effect of environmental pollutants like cadmium and pesticides on male reproductive function. She had her higher education at the university of Ilorin, Nigeria and specialized training at the university of Benin, Nigeria. She is trained to conduct programme accreditation in biochemistry, environmental science (option in toxicology) and basic medical sciences (option in medical biochemistry) and has more than 7 years' experience in accreditation. She also received training in the conduct of institutional accreditation. She was certified in 2021 by the virtual institute for capacity building in higher education (vicbhe) as an accreditor for programme and institutional accreditation. **Email:** martina.adaikpoh@uniben.edu. **Telephone:** +234 803 386 6662.

ADEKOLA Folahan: Folahan A. Adekola is a professor of analytical and environmental Chemistry with over 10 years' experience in accreditation and quality assurance. He had his higher education at the Obafemi Awolowo University, Ile-Ife, Nigeria and Sorbonne University (formerly Pierre & Marie Curie University), Paris, France. He had specialised training at the Institute of Environmental Assessment, London. He is trained to conduct programme accreditation in chemistry, industrial chemistry, forensic science and environmental science. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** fadekola@unilorin.edu.ng. **Telephone:** +2348067332320.

ADEYEMI Oluoyomi: Oluoyomi S. Adeyemi is a professor of biochemistry with over 3 years' experience in quality assurance and accreditation. He had his higher education at the University

of Ilorin, Nigeria and postdoctoral training at Rhodes University, South Africa and Obihiro University of Agriculture & Veterinary Medicine, Japan. He is trained to conduct programme accreditation in biochemistry and basic medical sciences. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** oluyomiadeyemi@gmail.com. **Telephone:** +2347034507902.

AJAYI Isaac: Isaac R. Ajayi is a professor of radiation and environmental physics with over 14 years' experience in quality assurance and accreditation. He had his higher education at the University of Ibadan, and management training in higher education at the Galilee International Management Institute in Israel and the Harvard University Extension School. He is trained to conduct programme accreditation in physics and electronics. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** isajayi@gmail.com **Telephone:** +2348067445389.

AKINYEMI Olukayode Dewumi: Olukayode D. Akinyemi is a professor of solid earth physics (geophysics) with over 10 years of experience in quality assurance and accreditation. He had his higher education at the University of Ibadan, Nigeria and specialised training at the thermal systems and porous media laboratory, University of Curitiba, Brazil, and the Ecohydrology Department, Wageningen University, Netherlands. He is trained to conduct programme accreditation in physics. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** akinyemiod@funaab.edu.ng. **Telephone:** +2348062937241.

AKOR-AMALI Ene Franca: Ene F. Akor-Amali is principal accreditation officer in the Directorate of Accreditation, National Universities Commission with over 10 years' in quality assurance and accreditation. she had her higher education at the Benue state University Nigeria. she is trained to coordinate and conduct programme accreditation in all discipline. she has also received training in the conduct of institutional accreditation. she was certified in 2021 by the Virtual Institute for Capacity Building in Higher Education. **Email:** reachenak82@yahoo.com. **Telephone:** +2348127280557.

AKUBUGWO Emmanuel Iroha: Emmanuel I. Akubugwo is a professor of biochemistry. With over six years' experience in quality assurance and accreditation. He had his higher education at the university of Port Harcourt., Nigeria as well as the University of Benin, Nigeria. He is trained to conduct programme accreditation in biochemistry and biological sciences. He has also received training in the conduct of institutional accreditation. He was certified in 2031 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** eiakubugwo@gmail.com. **Telephone:** +2348135201205.

AMEEN Mubarak: Mubarak O. Ameen, a Fulbright scholar, is an organic chemistry lecturer with over 20 years' experience at the University of Ilorin. He graduated from the Bayero University Kano (1997) and had his graduate studies at the University of Ilorin. He participated in the National University Commission of Nigeria's Virtual Institute for Higher Education Pedagogy (NUC - VIHEP) from December, 2003 to May, 2004 where he obtained certificates on the various programmes mounted by the institute. He is a reader in the organic unit of the Department of Chemistry, Unilorin, where he lectures and supervises both graduate and undergraduate research projects. He has received training in the conduct of program and institutional accreditation. He was certified

in 2021 by the Virtual Institute of Capacity Building in Higher Education (VICBHE) as a Certified Accreditor for programme and Institutional Accreditation. **Email:** moameen@unilorin.edu.ng; moameen4@gmail.com; aommohd@yahoo.com. **Telephone:** +2348035019199.

AROGBA Sunday Salifu: Sunday S. Arogba is a Professor of Food Chemistry and Nutritional Biochemistry at Kogi State University, Anyigba. He had his Bachelor of Science degree in Biochemistry from Ahmadu Bello University, Zaria (1979), followed by MSc in Food Quality Control (1982) at University of Reading, Reading, and PhD (1987) at Brunel (The University of West London), Uxbridge, Middlesex, both in the United Kingdom. He is the pioneer tenured Professor at Kogi State University, Anyigba since 2000 and the 1st Inaugural Lecturer in 2008. He has served in several administrative positions either as Dean of Student Affairs, Dean of the Faculty of Natural Sciences and/or concurrently as Director of Academic Planning (DAP), Director of Entrepreneurial & Skill Acquisition Centre (DESC), Director of Advancement & Support Centre, Director of Pre-Degree Science Programme. He was on University Governing Council twice in different capacities. He is currently the Editor-in-Chief of an emerging Trans-Atlantic Journal of Science. **Email:** arogbasunday@yahoo.com. **Telephone:** +2348064469366.

ATAWODI Sunday: Sunday Ene-Ojo Atawodi, FAS., FAMedS was appointed professor of biochemistry at Ahmadu Bello University in 2004 following his doctoral training at University of Ibadan/University of Heidelberg, Germany and postdoctoral training at the Walther-Straub Institute for Pharmacology & Toxicology, University of Munich, Germany and the International Agency for Research on Cancer, Lyon France. He is trained to conduct accreditation in biological & chemical sciences (biochemistry, biotechnology, biology and chemistry) for over a decade. He was involved in the maiden NUC-institutional accreditation at the University of Ibadan in 2011, and has also been involved in research quality assurance, being member of Tetfund National Research Fund Screening & Funding Committee since 2019. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** atawodi_se@yahoo.com. **Telephone:** +2348033850613.

AYOLABI Elijah: Elijah A. Ayolabi is a professor of applied geophysics, with over 25 years of outstanding delivery of quality service in education sector. He is currently the pioneer Vice-Chancellor, Mountain Top University, Nigeria. He had his higher education at both Obafemi Awolowo University and University of Ibadan, Nigeria where he obtained bachelor's degree in engineering physics followed by master's and doctoral degrees in geophysics respectively. He is trained to conduct research in environmental, engineering and exploration geophysics by national and foreign experts in the field of geosciences. Over the years, he has distinguished himself in the field and has received many accolades such as NAPE Outstanding Earth Science Lecturer award; NAPE/SHELL award for the development of quality education in Nigerian tertiary institution; NAPE/AAPG Young Professional Faculty Advisor award; Fellow, Institute of Management Studies; University of Ibadan Life Time Achievement award and Honorary Lecturer for Middle East and Africa by Society of Exploration Geophysicists (SEG), USA. He is an active member of European Association of Geoscientists and Engineers (EAGE), Environmental and Engineering Geophysical Society (EEGS), Society for Exploration Geophysicists (SEG), Nigerian Association of Petroleum Explorationists (NAPE) and COMEG registered. **Email:** eojelabi@gmail.com. **Telephone:** +2348037206074.

BABA Alafara Abdullahi: Alafara A. Baba is a professor of analytical/industrial and materials chemistry with over 15 years' experience in quality assurance and accreditation. He had his higher education at the University of Ilorin, Nigeria and international training on research & development and innovation – a paradigm shift for Nigeria tertiary education at University of Dayton, Ohio, USA. He is trained to conduct programme accreditation in chemistry, industrial chemistry, and applied

sciences. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** baalafara@yahoo.com, alafara@unilorin.edu.ng. **Telephone:** +2348035010302.

BABALOLA Kunle: Kunle O. Babalola is a professor of mathematics. He had his higher education at the Obafemi Awolowo University, Ile-Ife, Nigeria and the University of Ilorin, Ilorin, Nigeria, and postdoctoral training at the Lahore University of Management Sciences (LUMS), Pakistan. He is trained to conduct programme accreditation in mathematics. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** babalola.ko@unilorin.edu.ng. **Telephone:** +2347058079297.

CHINWEOKWU Emenem: Emenem E. Chinweokwu is a graduate of mathematics with 12 years' experience in quality assurance and accreditation as a staff of national universities commission. He had his higher education at the University of Benin, Nigeria and a specialised training at datalead africa in Nigeria. He has received training in data analysis. **Email:** emenem.chinweokwu@gmail.com. **Telephone:** +2348032581710.

DAVIES Onome: Onome A. Davies is an inaugurated professor of hydrobiology and fisheries with 4 years' experience in quality assurance and accreditation. She had her higher education at the University of Ibadan, Nigeria and postdoc research and training at Shrimp Genetic Improvement Centre, Phumriang, Thailand. She is trained to conduct programme accreditation in zoology, hydrobiology, fisheries, aquaculture, biotechnology, aquatic ecology/pollution, ecotourism and environmental science. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** davies.onome@ust.edu.ng. **Telephone:** +2348030879120.

EKECHUKWU Chinyere: Chinyere D. Ekechukwu is an Analytical Chemist with over 10years' experience in quality assurance and accreditation. She had her higher education at the University of Nigeria Nsukka where she obtained her Bachelor's degree in Chemistry/education (1998) and Master's degree in Analytical Chemistry (2003). She was a Part-time Demonstratorship at University of Nigeria Nsukka and as a Chemist at Tudaka Environmental Lab. Port-Harcourt, Rivers State. She had a special training on Quality Assurance at Virtual Institute for Capacity Building in Higher Education (2021). She has received training in the conduct of accreditation. She is trained to conduct programme accreditation in Chemistry and Chemistry Education. She has also received training in the conduct of Institutional Accreditation. She was certified in 2021 by the Virtual Institute for Capacity Building in Higher Education as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** chyechukwu18@yahoo.com. **Telephone:** +2348033594143.

EKPO Uwemedimo: Uwemedimo F. Ekpo is a professor of parasitology and epidemiology with over 22 years' experience in teaching, research, and mentorship at the university level. He had his B.Sc. at the University of Calabar, Nigeria, M.Sc. at University of Ibadan, Nigeria, and Ph.D. at University of Agriculture, Abeokuta, Nigeria. He had his post-doctoral training with Swiss Tropical and Public Health Institute, Basel Switzerland from 2009-2016. He had participated in National Universities Commission, Nigeria accreditation for zoology and environmental biology programmes in 2021. He has also received training in the conduct of programme and institutional accreditation. **Email:** ufekpo@hotmail.com. **Telephone:** +2348027555689.

ENERIJI OFI Kingsley: Kingsley E. Enerijiofi is a senior lecturer in microbiology with over 3 years' experience in quality assurance. He had his higher education at the University of Benin, Nigeria. He is trained to conduct programme accreditation in microbiology and environmental & public health microbiology. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** kingsmore1luv@gmail.com. **Telephone:** +2348034553580.

EZE Sabinus Oscar: Sabinus Oscar O. EZE, is a professor of biochemistry with over 4 years' experience in quality assurance and accreditation. He had his higher education at the University of Nigeria Nsukka and received further training at Gunma University Graduate School of Medicine, Maebashi, Japan. He is trained to conduct programme accreditation in biochemistry. He has also received training in the conduct of institutional accreditation. He has participated in accreditation exercises with the national universities commission of Nigeria since 2017. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** sabinus.eze@unn.edu.ng **Telephone:** +2347066090552.

EZEUGO Chinonyerem Grace: Chinonyerem Grace Ezeugo is a microbiologist with over 10 years' experience in quality assurance and accreditation. She had her higher education at the Abubakar Tafawa Balewa University Bauchi, Nigeria and specialised training at National University of Education Planning and Administration New Delhi India. She is trained to conduct programme accreditation in microbiology, environmental microbiology and technology management. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a certified Accreditor for programme and institutional accreditation. **Email:** nnoyee2001@gmail.com. **Telephone:** +2348035451712.

FRANK-PETERSIDE Nnenna: Nnenna Frank-Peterside is a professor of medical microbiology with 6years' experience in accreditation. She is presently the Director, quality assurance /quality control of her institution. She had her higher education at the University of Ibadan, Nigeria and the Queen's University of Belfast, Northern Ireland, United Kingdom. She is trained to conduct programme accreditation in microbiology. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** nnenna.frank-peterside@uniport.edu.ng. **Telephone:**+2348033106272.

FUWAPE Ibiyinka: Ibiyinka A. Fuwape is a professor of physics with over 32 years' experience in physics research in the area of nonlinear dynamics. She had her higher education at the University of Ibadan, Nigeria and had specialized training at the Abdus Salam International Centre for Theoretical Physics, Trieste , Italy. She is trained to conduct programme accreditation in physics. She has received training on Quality Assurance in Higher Education and Accreditation from the Virtual Institute for Capacity Building in Higher Education in 2021. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** yfuwape@yahoo.com. **Telephone:** +2348138663405.

GONI Ibrahim Baba: Ibrahim Baba Goni is a professor of hydrogeology with 30 years' experience in the field of geosciences. He had his higher education at the University of Maiduguri, Nigeria and Ph.D. hydrogeology at the university of Avignon, France. He is trained to conduct programme accreditation in geology, geophysics and hydrogeology. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** ibgoni@yahoo.com. **Telephone:** +2348036372676.

IGBOKWE Donatus: Donatus I. Igbokwe is a professor of mathematics with over 12 years' experience in quality assurance and accreditation. He had his undergraduate education at University of Nigeria where he obtained a Bachelor of Science in mathematics education, and his postgraduate education in pure mathematics at University of Jos, Nigeria and University of Nigeria, Nigeria. He is trained to conduct programme accreditation in mathematics education and mathematics. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** igbokwedi@yahoo.com. **Telephone:** +2348066658512.

KOLADE Funmilayo: Funmilayo O. Kolade is a university regulator and a graduate of science (biochemistry; environmental toxicology and pollution management) with over 11 years' experience in quality assurance and accreditation. She had her higher education at the Lagos State University (LASU), Nigeria and masters at the University of Lagos (UNILAG). She is trained to conduct programme accreditation in any science program (chemistry, biology, biochemistry, environmental toxicology and pollution management). She has also received training in the conduct of institutional and programme accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** funmikolade50@gmail.com. **Telephone:** +2348072836405.

LADOKUN Olusola: Olusola A. Ladokun is a professor of nutritional biochemistry with over 9 years' experience in quality assurance and accreditation. She had her higher education at the University of Ibadan, Nigeria, and specialised training at the Hebrew University of Jerusalem. She is trained to conduct programme accreditation in biochemistry and human nutrition. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** solaJP@gmail.com. **Telephone:** +2348034995499.

MADUKA Onyemauche: Maduka Onyemauche D. is a staff of National Universities Commission of Nigeria with over 10 years' experience in quality assurance and accreditation. He had his higher education at Micheal Okpara University, Nigeria and specialized training at Virtual Institute for Capacity Building. He is trained to conduct programme accreditation in physics, mathematics, computer science and information technology. He has also received training in conduct of institutional accreditation and open and distance learning mode of education. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as Certified Accreditor for Programme and Institutional Accreditation. **Email:** anyiequation@gmail.com. **Telephone:** +2348065560093.

MOUNMBEGNA Philippe Emmanuel: Philippe E. Mounmbegna is a professor of biochemistry with over 18 years of teaching and research experience and over 5 years' experience in quality assurance and accreditation. He had his higher education at the University of Yaoundé I in Cameroon and University of Benin, Benin City, Nigeria respectively and specialised training at Kwame Nkrumah University of Science and Technology (KNUST), Ghana. He is trained to conduct programme accreditation in biochemistry, pharmacology and toxicology and chemical pathology. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** mounmbegna_ppe@yahoo.fr **Telephone:** +2348036698195.

MUSTAPHA Yakanumbu: Mustapha Yakanumbu holds a Bachelor of Science in biochemistry with over 7 years' experience in quality assurance and accreditation. she had her higher education at the University of Maiduguri, Nigeria and specialised training at virtual Institute for Capacity Building in Higher Education. She is trained to conduct programme accreditation in biochemistry, chemistry and mathematics. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the virtual Institute for Capacity Building in Higher Education as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** yakanumbutatabe2013@gmail.com. **Telephone:** +2348030668814.

NAKAKA Ahmed: Nakaka Ahmed was born in 1976, Jigawa state, Nigeria. He is an Assistant Chief Accreditation Officer at the Directorate of Accreditation of the National Universities Commission (NUC), Abuja, Nigeria with eleven years' experience in quality assurance and accreditation in Nigerian University System (NUS). He had his higher education at Bayero University Kano, Kano, Nigeria where he obtained his bachelor's degree in Mathematics in 2002 and Master's degree in Applied Mathematics in 2020. He received training on Fundamental of Accreditation across the World by the Virtual Institute for Capacity Building in Higher Education (VICBHE) Module 2 and earned Distinction which qualified him to be enrolled in the database of certified accreditors. His chosen discipline as a certified accreditor is Science. **Email:** nakakaahmed80@gmail.com. **Telephone:** 08065592951.

NKANG Ani: Ani Essien Nkang is a professor of botany (- rainforest biology) with 10 years' experience in quality assurance and accreditation. He had his higher education at the University of Nigeria, Nsukka and specialized training at the University of Queensland, Brisbane, Australia. He is trained to conduct programme accreditation in sciences. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** profaninkang@yahoo.com. **Telephone:** +2348033829629.

OBALLEYE Joshua: Joshua A. Obaleye is a professor of chemistry with over 40 years' experience in the teaching and assessing chemistry and chemical sciences related courses. He obtained his B.Sc. Chemistry degree from Union University, Jackson Tennessee in 1977 and Ph.D. Radiation and Inorganic Chemistry from Texas W. University, Denton, Texas in 1981. He is a fellow of Chemical Society of Nigeria, Royal Society of Chemistry (UK), American Chemical Society (ACS) and many others. He is the Chairman, ACS Nigeria International Chemical Sciences Chapter and Full membership of sigma xi -the scientific research honor society. He has also received training in the conduct of programme and institutional accreditation by Virtual Institute for capacity Building in Higher Education (VICBHE) under the auspices of the National Universities Commission Strategy Advisory Committee (STRADVCOM). **Email:** jobaleye@yahoo.com. **Telephone:** +2348033582048.

OBANDE Ene: Wachuku Ene Grace is a staff of the National Universities Commission, directorate of accreditation with 9 years' experience in quality assurance and accreditation. She earned her bachelor's degree in physics from the Benue States University, Makurdi and master's and PhD. In Geophysics from Ahmadu Bella University, Zaria. She has received several trainings in the conduct of programme and institutional accreditation. **Email:** egobande@yahoo.co.uk. **Telephone:** +2348030531513.

OBIDIGBO Uchenna: Uchenna N. Obidigbo is a graduate of Microbiology/Biochemistry from the University of Nigeria, Nsukka. She is a staff of the National Universities Commission, Abuja in Nigeria and has over 15 years' experience in quality assurance and accreditation. She has participated in several trainings at the following: National Institute for Entrepreneurship and Small Business Development (NIESBUD), Noida, India, Universidad de Salamanca, Spain, SPOCE Project Management Ltd, United Kingdom, among others. She has also received training on Accreditation at the Virtual Institute for Capacity Building in Higher Education (VICBHE) and is currently a Chief Accreditation Officer at the National Universities Commission. **Email:** amandaopra@yahoo.com. **Telephone:** +2348035957571.

OBILADE Titilola: Titilola O. Obilade is a professor of mathematical statistics with specialisation in stochastic processes. Trained at University of Ife, Ile-ife and Trinity College Dublin, Ireland, he has some twenty years' experience in programme accreditation, review and assessment. University experience for 40 years includes supervision for higher degrees, investigation panels, headship of department, vice deanship as well as council member of the Nigerian National Mathematical Centre. A 1982 fellow of Royal statistical society, he is also a 2021 fellow of the Nigerian statistical society. **Email:** tobilade@yahoo.com. **Telephone:** +2348034059544.

ODAMA Itiemeka: Odama Itiemeka is a Principal Academic Planning Officer in the National Universities Commission, she has worked for over 10 years with the commission. She has her higher Education at the university of Abuja and Heriot Watt University Edinburgh. **Email:** itiemeka@gmail.com. **Telephone:** 07039063536.

OGUN Ayoteju: Ayoteju A. Ogun is a public health/one health Veterinarian with over 11 years' experience in quality assurance and accreditation. She had her higher education at the University of Ibadan, University of Lagos, Nigeria and specialized training by ENVIROVET Institute, University of Illinois, University of California-Davis USA and University of Oxford. She is trained by the National Universities Commission where she works as the coordinator of the Lagos office to conduct programme accreditation in all programmes studied at the Universities in Nigeria. She has also received training to conduct institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** ayotejua@yahoo.com. **Telephone:** +2348034279531.

OGUNLADE Ibiyinka: Ibiyinka Ogunlade is a professor of food and applied chemistry with over two decades experience in teaching and research. She had her higher education at University of Ibadan and Obafemi Awolowo University. Ile-Ife, Nigeria. A Commonwealth scholar with special interest in Antioxidant Chemistry. She is a fellow of Institute of Chartered Chemists of Nigeria (ICCON) and Chemical Society of Nigeria (CSN). Prof Ogunlade is a former Deputy Vice Chancellor (Academics) of Ekiti State University, Ado- Ekiti. She is the Initiator and Director of Children-in-Science & Technology: A project aimed at popularising Science &Technology among children for

self-reliance. A recipient of the Commonwealth Association of Science, Technology and Mathematics Educators (CASTME) 2020 Community Award for popularising STEM in the community. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** yinkaogunlade1@gmail.com. **Telephone:** +2347032378418.

OGUNLANA Olubanke: Olubanke O. Ogunlana is a professor of biochemistry with almost 10 years' experience in quality assurance and accreditation. She had her higher education at the Obafemi Awolowo University, Ile-Ife, University of Ibadan, and Covenant University, Ota, Nigeria. She is trained to conduct programme accreditation in biochemistry. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** banke.ogunlana@covenantuniversity.edu.ng, ogunlanaoo@gmail.com. **Telephone:** +2348080454316.

OGUNTIMHIN Adewuola: Adewuola O. Oguntimehin is a graduate of Agricultural Economics with over 10 years' experience with the National Universities Commission. She had her higher education at the Federal University of Agriculture, Abeokuta and the University of Ibadan. She had specialised training at the Virtual Institute of Capacity Building in Higher Education. She is trained to conduct accreditation of all programmes studied in Nigerian universities. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** adewuola@yahoo.com. **Telephone:** +2349050503001.

OKAFOR Polycarp: Polycarp Nnacheta Okafor is a professor of Biochemistry for over 11 years. He had his higher education at University of Ibadan where he obtained BSc, MSc, and PhD in Biochemistry. As a professor and one time Director of Academic Planning in his University he has been involved in programme accreditation in Nigerian Universities for more than 7 years now. Polycarp was certified by Global University Network for Innovation (Africa) and African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation after training at Virtual Institute for Capacity Building in Higher Education (VICBHE). **Email:** pnokafor@yahoo.com and okafor.polycarp@mouau.edu.com.

OKIKI Pius Abimbola: Pius Abimbola Okiki is a professor of microbiology at Afe Babalola University, Ado-Ekiti, Nigeria. He studied veterinary medicine at the University of Ibadan. This was followed by master and doctoral studies in the field of microbiology at the University of Benin. He has received training in the conduct of programme and institutional accreditations. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** okikipa@abuad.edu.ng **Telephone:** +2348028553661.

OKINO Bashiru: Bashiru A. Okino is a Fellow of the Institute of Professional Managers and Administrators of Nigeria with over 10 years' experience in quality assurance and accreditation. He had his higher education at the Federal University of Technology Minna, Nigeria and the National Open University of Nigeria. He has received training in the conduct of Programme accreditation and Institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor

for Program and Institutional accreditation. **Email:** bashokino@gmail.com. **Telephone:** +2348035963449.

OLADIJI Adenike: Adenike T. Oladiji is a professor of biochemistry with over 10 years' experience in quality assurance and accreditation. She had her higher education at the University of Ilorin, Nigeria and specialised trainings at Leadership Development Institute, Dayton, Ohio, USA; Canadian Institute for Innovation Development, Calgary, Alberta, Canada and she is a MASHAV Alumnus of the Hebrew University of Jerusalem, Israel. She is trained to conduct programme accreditation in biochemistry. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** toladiji@unilorin.edu.ng; toladiji@gmail.com. **Telephone:** +2348033736996.

OLADIPO Olushola: Olushola A. Oladipo is a professor of ionospheric physics and space physics at the University of Ilorin. He obtained his first degree and higher degrees for the University of Ilorin. He has been involved in teaching and research in physics for the past 20 years. He is a fellow of the Alexander von Humboldt Foundation in Germany. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** abeladipoo@yahoo.com; ooladipo@unilorin.edu.ng. **Telephone:** +2348188233584.

OLAYINKA Akinola: Akinola S. Olayinka is an associate professor of computational and material physics with over 15 years of prolific academic, research and practical experiences. He has his higher education at the Federal University of Technology Akure, Benson Idahosa University and University of Benin, Nigeria. He has both local and international research experiences which include Guest Researcher, Forschungszentrum Julich, Germany and Visiting Scientist, International Centre for Theoretical Physics, Trieste, Italy. He is the founder of the center for computational science network (c2snet.org), a non-Governmental research network to promote computational research in Africa. He is trained to conduct programme accreditation in physics, physics with electronics and computer science. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** solayinkaa@gmail.com **Telephone:** +2348062447411.

OLUDURO Anthonia: Anthonia O. Oluduro is a professor of Microbiology with 24 years' experience in teaching and research. She had her higher education at the University of Ado-Ekiti, Nigeria. She is trained to conduct programme accreditation in microbiology and biology science. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** aoluduro2003@yahoo.co.uk. **Telephone:** +2348069379885.

ONI Abimbola: Abimbola O. Oni is a master's degree holder in Environmental Management and Protection with over seven years' experience in university's regulations. He had his higher education at the Federal University of Technology Akure and Federal University of Agriculture, Abeokuta, Nigeria and specialised training as a Network Administrator at the America University of Nigeria study centre, Yola, Adamawa State. He is trained to conduct programme accreditation in any sciences and science education programmes. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by Global University Network for Innovation

(Africa) and the African Quality Assurance Network as a Certified Accreditor for programme and institutional accreditation. **Email:** meetbimbo4real@yahoo.com, **Telephone:** +2348036958762.

OTACHE Monday Abel: Otache M. Abel is a lecturer with specialization in Organic Synthesis, major in Food Chemistry with over 4 years' experience in quality assurance and evaluation. He had his higher education at the Benue State University and the University of Port Harcourt. He is a member of the Chemical Society of Nigeria (CSN), American Chemical Society (ACS), and the Nigerian Institute for Food Science and Technology (NIFST). He is trained to conduct programme accreditation in science related discipline. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** fillupotache2456@gmail.com. **Telephone:** +2347035987547.

OYEDEPO Temitope: Temitope A. Oyedepo is a professor of biochemistry with over 6 years' experience in quality assurance and accreditation. She had her higher education at the University of Ilorin and University of Ibadan, Nigeria. She is trained to conduct programme accreditation in biochemistry chemistry and human nutrition. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** topkay99@gmail.com. **Telephone:** +2348035838269.

RABIU Babatunde: Babatunde Rabiu is a professor of physics with over 10 years' experience in quality assurance and accreditation. He had his higher education at the University of Ilorin and University of Nigeria, Nsukka, both in Nigeria; and had specialised training at the National Geophysical Research Institute, India. He is trained to conduct programme accreditation in physics and meteorology. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** tunderabiu2@gmail.com. **Telephone:** +2348030705787.

SALIU Noel Biodun: Noel Biodun Saliu is the Director of Academic Planning at the National Universities Commission, Abuja, Nigeria. As a quality assurance expert, he coordinated programmatic and institutional accreditation in the Nigerian University System from 2011 - 2019. He is adept in the development and review of accreditation instruments and has been involved in the training of staff of Universities and Quality Assurance Agencies at the national and international levels. He is a member of the Harmonisation of African Higher Education Quality Assurance and Accreditation (HAQAA) Technical Working Group (TWG) and the immediate past Vice-President of the African Quality Assurance Network (AfriQAN). **Email:** remibiodun2000@yahoo.com. **Telephone:** +2348035904869

SAMBO Saadiya: Saadiya A. Sambo is an assistant chief academic planning officer in the National Universities Commission with over 10 years' experience in quality assurance and accreditation. she had her higher education at the Northumbria University Newcastle, United Kingdom and Bayero University Kano, Nigeria. She is trained to conduct programme accreditation in sciences, medicine, basic medical sciences and allied health sciences. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** saadiyabdul85@gmail.com. **Telephone:** +2348033008010.

TAIWO Soji Abraham: Soji A. Taiwo is a data scientist with 3 years' experience in quality assurance and accreditation. He had his higher education at the University of Ilorin, Nigeria. He has received training in the conduct of programme and institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** sojifast@gmail.com. **Telephone:** +2348125118443.

TELLA Adedibu Clement: Adedibu C. Tella is a professor of chemistry with over 15 years' experience in quality assurance and accreditation. He had his B.Sc. degree in chemistry at the University of Lagos, Nigeria and M.Sc. and Ph.D. degrees in chemistry at University of Ilorin, Nigeria. He is trained to conduct programme accreditation in chemistry and industrial chemistry. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for programme and Institutional Accreditation. **Email:** adedibu@unilorin.edu.ng. **Telephone:** +2348035019197.

UGWUJA Emmanuel Ike: Emmanuel Ike Ugwuja is a professor of biochemistry with bias in nutrition and toxicology. He had his higher education at the University of Ibadan and Ebonyi State University, Abakaliki, respectively. He is trained to conduct programme accreditation in biochemistry, chemical pathology and toxicology. He has also been trained on how to conduct institutional accreditation. He was certified in 2021 by the Virtual Institute for Capacity Building in Higher Education in collaboration with Global University Network for Innovation-Africa (GUNi-Africa) and Africa Quality Assurance Network (AfriQAN) as a certified accreditor for programme and institutional accreditation. **Email:** ikeugwuja@gmail.com. **Telephone:** +2347035122010.

UKAGA Chinyere: Chinyere Ukaga is a distinguished professor of Public Health Parasitology with over 24 years' experience in research, teaching, quality assurance and accreditation. She had her higher education at the University of Nigeria Nsukka and specialised training at the Institute of Tropical Medicine University of Tübingen Germany. She is trained to conduct program accreditation in zoology, animal and environmental biology, applied biology, zoology and environmental biology, biology, parasitology and entomology. She has also received training in the conduct of institutional accreditation. She was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Program and Institutional Accreditation. **Email:** chinyukaga@yahoo.com. **Telephone:** +2348068254576.

UMAR Mansur: Mansur U. Bunza is a principal accreditation officer at National Universities Commission with over 12 years' experience in quality assurance and accreditation. He had his higher education at the Usmanu Danfodiyo University Sokoto, Nigeria. He is trained to conduct programme accreditation in applied chemistry, industrial chemistry, petroleum chemistry, chemistry education, and environmental chemistry. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** mansoormash@yahoo.com. **Telephone:** +2348066121457.

UTHMAN Taofik: Taofik O. Uthman is a professor of biochemistry with over 8 years' experience in quality assurance and accreditation. He had his higher education at the University of Ilorin, Nigeria and postdoctoral training at University of Fort Hare and University of KwaZulu Natal both in South Africa. He is trained to conduct programme accreditation in biochemistry, biotechnology and chemistry. He has also received training in the conduct of institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality

Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** taosun77@gmail.com. **Telephone:** +2348033939464.

WEGWU Matthew: Matthew O. Wegwu is a professor of environmental biochemistry, nutrition and toxicology, with over 8 years' experience in quality assurance and accreditation. He had his higher education at the University of Port Harcourt, Nigeria. He is trained to conduct programme accreditation in chemical sciences, biological sciences and basic medical sciences. He has also received training in institutional accreditation. He was certified in 2021 by the Global University Network for Innovation (Africa) and the African Quality Assurance Network as a Certified Accreditor for Programme and Institutional Accreditation. **Email:** matthew.wegwu@uniport.edu.ng. **Telephone:** +2348068698933.

YAKUBU Abubakar: Yakubu Abubakar is a Dr. Communication Physics with 6 years' experience as Director of Academic Planning. He had his undergraduate studies at University of Abuja, Masters degree in University of Essex, United Kingdom and University Putra Malaysia. He has attended several workshops and seminars on Quality Assurance in Higher Institutions organised by the NUC in collaboration with the Global University Network for Innovation (Africa) in 2019. **Email:** abulect73@gmail.com. **Telephone:** 07067155145.

ZANG Simi: Simi Sophia Zang has a B.Sc. in mathematics and a master's in public administration from the University of Jos, Nigeria and National Open University of Nigeria (NOUN) respectively. She is a staff of the National Universities Commission, a quality assurance agency for higher education in Nigeria, where she attained over 10 years' experience in quality assurance and accreditation. She has received training on programme and institutional accreditation. She is trained to serve on all accreditation panels, prepare and defend accreditation reports.
